Briefly Tell Us Why You Feel That You Need Deliverance

What area of your life do you think may be demonically influenced?

Orphan Curse – the issue of fatherlessness and addiction.

Romans 8:15-16 (NLT) So you have not received a spirit that makes you fearful slaves. Instead, you received God's Spirit when he adopted you as his own children. Now we call Him, "Abba, Father." ¹⁶For his Spirit joins with our spirit to affirm that we are God's children. ¹⁷And since we are his children, we are his heirs. In fact, together with Christ we are heirs of God's glory. But if we are to share his glory, we must also share his suffering.

- All addiction, all demonic influence, and all sin issues stem from the very first aspect of the curse, which preceded the fall of mankind. The curse of separation from Abba Father. We refer to this as the "Orphan's Curse." It is failing to understand the Love of Abba Father,

His Grace, His Mercy, and His desire to have an intimate relationship with His children that leads to all the issues we have in the natural realm.

- This inherited curse that has affected all of humanity has been amplified by our relationships with first our biological fathers and then the other men in our lives that influenced us as we grew up. If we had godly fathers who raised us in the reverence of the Lord, the curse would be easily understood and overcome.
- However, if we were abandoned, rejected, neglected, or even abused spiritually, physically, or emotionally by our biological fathers and the other men in our lives, the curse becomes deeply rooted. It opens us up to be severely demonically influenced by all kinds of different demons and unclean spirits.

Signs you are dealing with an Orphan Spirit.

- The orphan spirit causes you to be overly sensitive and uncorrectable.
- The orphan spirit causes you to blow up relationships out of the fear of being rejected.
- The orphan spirit causes you to hide your own limitations.
- The orphan spirit causes you to perceive the strengths of others as competition.
- The orphan spirit causes you to secretly take satisfaction in the weaknesses and failures of others.
- The orphan spirit causes you to seek the attention of those in authority.
- The orphan spirit causes you to over-obligate yourself.
- The orphan spirit causes you to engage in people-pleasing behavior.
- Orphans live from fear. Fear has two twins: Guilt and Shame. Guilt from the past, shame for today. Shame is based on deception; the devil has convinced you that you are not who God says you are.

Before Coming For Deliverance:

There is something you can do to help bring about your freedom. I recommend that you deal with these issues before coming for deliverance. In order for the deliverance to be successful, there can be NO unforgiveness in your life.

Unforgiveness is legal permission for demons to torment believers: **Matthew 18:23-35.**

True forgiveness isn't possible without fully embracing the Grace of God by allowing the Holy Spirit to cultivate the Word of God as we make a verbal proclamation to forgive each individual who has wronged us.

Do not neglect the area of forgiveness for yourself; you must also forgive yourself in order to be free.

A typical prayer might be as follows: *"Father because You have forgiven me, I choose to forgive others, everyone who has hurt me, lied to me, or disappointed me, I forgive. I confess unforgiveness as a sin and repent of it. I receive Your forgiveness and apply it to my life by forgiving! I Thank You for Your grace and mercy in Jesus' Name. Amen."*

If there was ever any involvement (*however innocent*) in Satanic activities, witchcraft, cults, or occult activities, they must be renounced.

Typical prayer:

"Father, I renounce any bond or agreement I ever made with Satan and the kingdom of darkness. I know there can be no valid contract with a liar, and I renounce any words, oaths, or pledges made to Satan, and I choose to be totally free! From them. I choose to be cleansed from any ties with Satan in Jesus' Name. Amen."

Sexual relationships outside of marriage...are called "Soul Ties," and each one could be an entry point for demonic and unclean spirits. The ties must be broken by confessing them as sins and choosing to be free from them. I will include a prayer you can pray.

It would be best if you could do so by denouncing each one by name; do your best. Can with that. The deliverance process involves canceling the permission of evil spirits to be in our life. This prayer and renunciation will cancel consent that was granted through soul ties.

The prayer can be something like this: *"Father, I confess the sin of sexual relations outside of marriage. I renounce that sinful activity in Jesus' Name. I call back that part of me that was given to another, and I refuse that part of another that may have come to me. I denounce soul ties with them and choose to be free in Jesus Christ's name. Amen"*
